Dear Members:

I hope you and your family had a Merry Christmas and a great New Year. We had an unfortunate ending to 2009 with the fire at the condos off of hole #14, and we hope all the families involved are doing as well as can be expected. We want to especially put Club Member Neil Peters and his family in our thoughts and prayers, as their home was one of those destroyed in the fire.

We are currently up and running with the GHIN Handicap system. The golf course has been re-rated by the Texas Golf Association, and your GHIN handicap cards are in the Pro Shop. We will have uploaded scores at the end of December and have new handicaps by January 6th. Handicaps are updated monthly basis, and will be available according to the TGA schedule. We will also be billing the \$30 annual fee in January.

The Club will no longer be billing for the Hole-in One Club, as the MGA will take this over in January.

We have a couple of months before Spring, so be sure to take advantage of the good weather we might have between now and then. I look forward to seeing you at The Club.

Best regards,

Brent Goodger, PGA
Head Golf Professional

From the General Manager

Wow how time has flew by! It has been 8 months here at the club for me and I am delighted to have made so many friends and to have made a home for myself here at Runaway Bay! It has been a great learning process for me and I am very happy with the progress we have made here at The Club. I have a wonderful group of people on staff that work very hard every day to implement the changes and to carry on the daily tasks.

As we move forward, there are many great things in store for our members and for the Club. Brent and I are going to have a massive membership drive and are going to have many exciting promotions for our members and new members. We sure can use all the help we can get from our current members to help grow the Clubs membership. We would like to see memberships doubled by this summer. This benefits all of us, so lets work together!

Warrior has been outstanding on maintaining their commitment to the Club. We are so lucky to have such a great company behind us and that is willing to invest in the Clubs future. I feel that they are going to be very happy with their investment and I am dedicated to making this happen in a timely matter.

ATTENTION: BILLING INFORMATION FOR MEMBERS!!!!!!!!!!!!!!

We are in the process of correcting our billing process. In the past we have billed dues in arrears along with your monthly charges. The correction will be made the end of December and will require us to bill each member for the December Dues and January Dues. This will correct the billing allowing the Club bill Dues to be collected in advance and the other charges in arrears.

We hope this does not cause any inconvenience to our members and appreciate your cooperation. Going forward any questions regarding membership of billing should be directed to Mr. Brent Goodger or Susan Swan in the pro shop.

I hope everyone has a Happy New Year and may all your dreams come true! I look forward to 2010, thanks for your support!
