ODE TO FATHERS

*How much I love you I can't say:
It's more than words can hold.
You're all at once my rich, red clay,
My potter and my mold.*

*Yours the words that shaped my
voice, The spirit within mine.
Yours the will that shaped my choice,
My fortune, and my sign.*

*How lucky I was to have had you
At the core of me!
Wise and good, you always knew
Just what I could be.*

*And so I came to be someone
Whom I could be proud of.
For this I give my swollen sum
Of gratitude and love.*
