Some of you may have noticed a new person lurking around the pro shop. That is our new golf pro, Brent Goodger! He was here once before in the 90s and has decided to make his home right here with us again! If you haven't met him yet, stop by the pro shop and say hello!

The holidays are upon us now! I don't know about you, but time has just flown by. There will be a lot of events going on in the upcoming months. Saturday, November 21st, we will be hosting a Thanksgiving dinner. Reservations are *strongly* encouraged if you would like to attend this dinner. Bring your friends and family and share in all the Thanksgiving festivities with other members.

We will also be hosting a members only Christmas party on December 19th. We will have plenty of food and will also be hosting a "white elephant" gift exchange. There will be Christmas themed games as well as a surprise

visit from someone we all know!

We are currently taking reservations for holiday parties! If you would like to host one and avoid the mess at your own house, please give me a call!

There seem to be a lot of positive changes happening around the club. We are all working tirelessly to improve all aspects of the club. If you have any suggestions, let one of the members of the advisory board know so it can be brought to our attention! The members of the advisory board are as follows—Charles Todd, Richard Perry, Beth Anderson, Pat Pravitz, Herb Todisco, and Mike Jump. The advisory board meets every first Thursday of the month to discuss ongoing issues and get member input. Please utilize these people as they will be consulting with us to make the club a better place for the members to enjoy.

Happy Thanksgiving to you all!

-Lindsey
Membership/Events Director

A Note From The Pro...

I would like to introduce myself to you as your new head golf professional. Many of you will remember me from my time here at The Club at Runaway Bay as head pro while the clubhouse and golf course were being renovated in the 1990s. I am glad to be back in Wise County where I have family and many friends.

As your head professional I am responsible for all aspects of the golf operations. We will be doing our best to get geared up and in shape for the coming spring and summer golf seasons. I will be putting together a good tournament schedule for member participation. In the meantime, please do not hesitate to contact me with questions, suggestions, or just to chat.

By the way, we have new pricing on items in the pro shop! Stop by and take a look at the great bargains available!

A NOTE FROM MARY...

Aloha, I will be away until November 12th. Warrior and my company IFP will be hosting the Hawaiian Open on the big island of Khona HI. This will be our first televised event for IFP and Warrior Table Soccer. As I am hard at work, my thoughts will be here at The Club. I am so excited with the changes taking place. I am leaving you in very good hands and I know things will run smoothly while I am away. Mr. Goodger will be in charge while I am away. We are all so fortunate to have Mr. Duffy Terry here at the club as a consultant for our food and beverage department. Tammy Hathaway will be over seeing the lounge and of course Lindsey is here for all your needs. What a great crew we have put in place, and as you see changes taking place just remember we are just at the beginning of many more changes to come. Myself and warrior and all the employees at The Club are dedicated to making this the number one golf course in Texas, Thank you for your patience and for caring so much.
